

Supply Drive

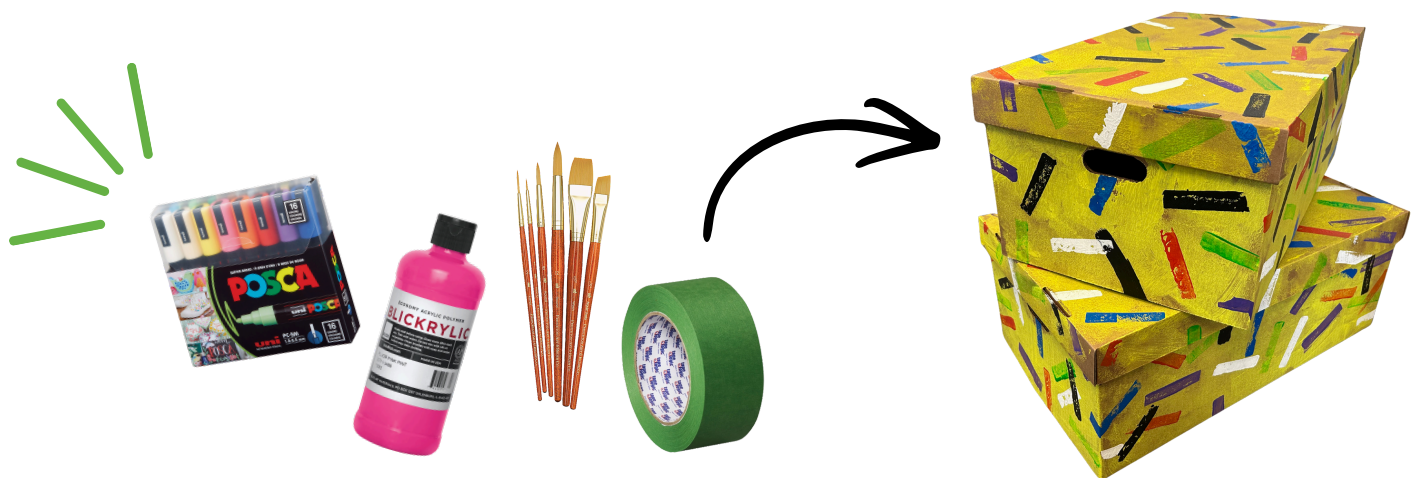

Materials:

- Copies of ACT Wishlist (see page 2)
- Boxes for supply donation (ACT can provide)

Instructions:

- Contact ACT to let us know you're doing a supply drive, make sure you have the most up to date wishlist, and arrange to pick up supply donation boxes from ACT (optional).
- Print copies of ACT Wishlist and distribute to your organization via email. Tape a few wishlists to the supply boxes. Place boxes in a central location so people can easily drop off donated supplies.
