

## Create Artwork with Your Co-Workers or Classmates!

Pick up an ACT art kit with supplies and directions. Completed projects can be dropped off at ACT.

To pick up an art kit or turn in a completed project, please arrange a time with our Program Coordinator, at [coordinator@artistscreatingtogether.org](mailto:coordinator@artistscreatingtogether.org).

## How Will ACT Use Donated Artwork?

ACT uses donated artwork in a few different ways:

- To create collaborative pieces
- In upcoming fundraisers and auctions
- In marketing and promotional materials
- As examples for future projects
- As thank you gifts to donors and volunteers
