

Nametag Project

Materials:

- Colored pencils
- Printer paper in any color
- Lanyards (any! Maybe even with your organization's logo/name?)
- Nametag protectors 4x3"
- 5x7" or larger envelopes (one for each color of paper)
- Scissors or paper cutter
- Ruler (for measuring)

Instructions:

- Cut colorful paper into 3.5x2.5 rectangles.
- Optional: On one side of each cut piece of paper, write an affirmation or decorate the paper.*
 - **Please use colored pencils and not markers so that the decoration does not bleed through to the other side - this is where we will write a student name.*
- Attach a lanyard to each nametag protector.
- Group paper into envelopes based on color.

40 nametags is a good donation size as we need this many for each new session of classes.

*Please arrange a drop-off or pick-up time for nametags with our Program Coordinator,
